# 5 REASONS TO SAY YES TO A HEAVY EQUIPMENT PROGRAM AT HEC

Whether you're just out of high school or looking for a change in careers, pursuing a career in heavy equipment operation is one you should definitely consider. Enrolling in a heavy equipment school is the best way to prepare for your new career in the field. Heavy Equipment Colleges of America (HEC) has seven locations across the country where you can learn the ins and outs of heavy equipment operation.

**Here are five reasons why you should say "Yes!" to the HEC experience.**

**1**

## **HANDS-ON EXPERIENCE**

At HEC, we give you the perfect mix of classroom and field training. After all, the best way to practice what you've learned and build confidence is by doing it.

**2**

## **PERSONAL ATTENTION**

In our small class sizes you'll receive personalized attention from instructors who are committed to setting you up to succeed. The personal attention can help you make the most of your hands-on experience if you're willing to put in the work.

**3**

## **EXPERIENCED INSTRUCTORS**

Speaking of instructors, ours have valuable real-world experience operating heavy equipment. This allows them to pass wisdom to you in an effort to best prepare you for future job opportunities in the field.

**4**

## **IN-DEMAND FIELD**

According to the Bureau of Labor Statistics the number of construction equipment operator jobs is projected to increase by 12 percent through 2026 compared to 2016's total. This is due in part to much of America's infrastructure needing to be rebuilt in the coming years.

## **LEARN THE ESSENTIALS**

In HEC's programs, you'll learn the skills and knowledge you need to succeed in the field, such as safety, preventive maintenance and equipment operation. HEC has more than a decade of experience providing specialized career training to aspiring heavy equipment operators like you, so you know you're getting a quality trade school education.

What are you waiting for? Say "Yes" to a new career by enrolling in one of HEC's programs. Our North Carolina and Tennessee locations now offer our mobile crane program, giving you even more options. For more information and to find the HEC location nearest you, visit
