Heavy Equipment Colleges of America shall require the following maximum charges due upon enrollment:

- For a program that is completed in one term or four months, Heavy Equipment Colleges of America shall require payment of all tuition and fees on the first day of instruction.
- For a program designed to be longer than four months, Heavy Equipment Colleges of America shall not require more than four months of advance payment of tuition and shall provide a payment installment plan. When 50 percent of the program has been offered, Heavy Equipment Colleges of America shall require full payment.
- If a Heavy Equipment Colleges of America student makes a request to provide payment in full after the student has been accepted, enrolled, and the date of the first-class session is disclosed on the enrollment agreement, Heavy Equipment Colleges of America shall accept payment in full for tuition and fees.
- The limitations listed above shall not apply to any funds received by Heavy Equipment Colleges of America through federal and state student financial aid grant and loan programs, or through any other federal or state programs, if participation in any programs shall occur in the future.

Definitions:

Total charges are institutional charges and third-party fees. Third party fees are related to medical exams/vaccinations and exam/licensure fees for participation in the program, if applicable, and to meet the requirements to be eligible for entry level employment.

Heavy Equipment Colleges of America tuition means the cost per hour and does not include itemized fees such as the Registration.

Veterans Benefits and Transition Act of 2018

HEC will allow any **covered individual** to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility (COE) for entitlement to educational assistance under chapter 31 or 33 and ending on the earlier of the following dates:

- 1) The date on which the U.S. Department of Veterans Affairs (DVA) provides payment for a course of education to an institution
- 2) The date that is 90 days after the date on which the educational institution certifies for tuition and fees following receipt of the COE from the student

HEC will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from the DVA under chapter 31 or 33. NOTE: A **Covered Individual** is any individual who is entitled to educational assistance under chapter 31, Vocational Rehabilitation, or chapter 33, Post 9/11 benefits.
